Dear friend and musician
extraordinaire Victor Mestas,
his wife and family moved to Boulder,
CO, from Venezuela two years ago.
They have given a tremendous amount
to this community and so now a number
of us from the music community
want to give back to them by helping
them raise the money needed for
residency papers.

You can buy tickets here or
donate if you'd like to support
the cause but cannot attend the concert:

100% OF TICKET PROCEEDS AND
DONATIONS GO DIRECTLY TO
THE MESTAS FAMILY.
